

include/funciones.h

src/main.cpp

src/similar.cpp

```
graph TD; A[src/main.cpp] --> C[include/funciones.h]; B[src/similar.cpp] --> C;
```

The diagram illustrates a dependency relationship between three files. At the top is a gray rectangular box containing the text "include/funciones.h". Below it are two white rectangular boxes with black borders, each containing a file path: "src/main.cpp" on the left and "src/similar.cpp" on the right. Two blue arrows point from the bottom boxes up towards the top box, indicating that both source files include the header file "funciones.h".
